2006 Barbaresco DOCG

Az. Vit. Patrizi, Farigliano (CN)
LCBO #383009

Tasting Note:

This wine matured in wood for two years after the harvest. The brilliant colour tones of ruby red with orange streaks appear after the passing of years.

The bouquet is complex and rich, with strains of violet, fruit, woodland and spices. In the mouth it has a harmonic and justly tannic presence.

About the Winemaking:

This Barbaresco is produced exclusively with grapes obtained from the Nebbiolo vine, coming from the nearby village of Barbaresco.

This wine undergoes a period of aging no less than two years. Once the aging period is over, the Barbaresco undergoes a wine tasting test carried out by a special committee, in order to get the government marks that guarantee the origin and quality.
