2008 Duerkheimer Hochbenn Riesling Kabinett Darting Estate, Pfalz LCBO #373638

Tasting Note:

Rich, round and ripe with peach and apricot flavours.

Off-dry and absolutely delicious.

About the Winemaking:

Robert Parker “impressive performer in my recent tastings of German vintages. He has been elevated to a five star producer. All of his offerings are superbly well delineated, compellingly intense, rich and well-balanced.”
